RankUp
The Game of Social Navigation

Chooses Friends

RankUp scans your college network for those that have similar interests, or those that could be beneficial to you - then automatically adds them as your friends. Becoming popular has never been so easy!

Provides Advice

Want to get ahead? **RankUp** provides you with personal advice to get the most out of your college career. You decide how to respond!

Finds Potential Mates

RankUp wants to hook you up! Sit back and let **RankUp** find your best matches. Trust us - **RankUp** knows you better than you know yourself!

Auto Responds

Tired of manually responding to status updates, but want to seem engaged? Turn on **RankUp**'s Auto Response System (ARS) and reap the benefits!

Being successful is a snap with RankUp!
