

Success Tracker

Keep your life on track!

Victoria Burchfield and Gretta Treuscorff

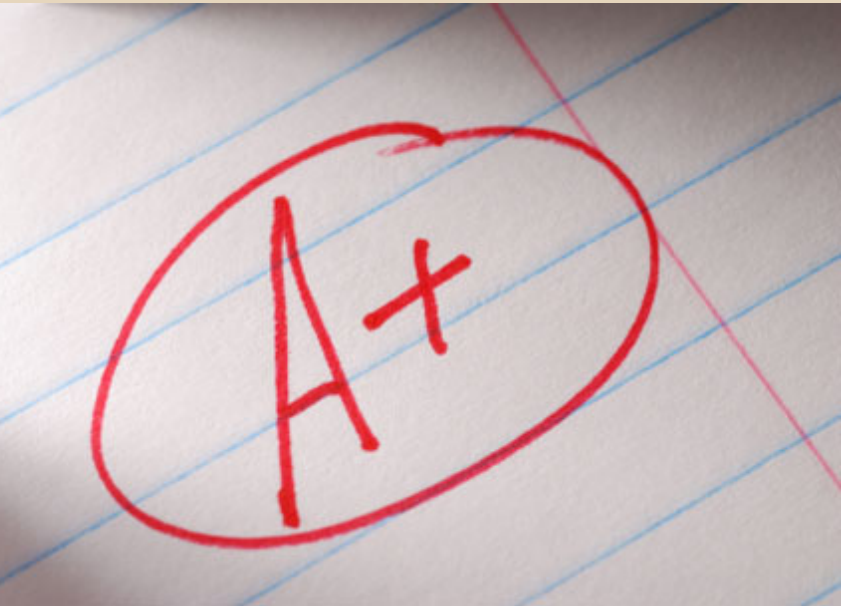

Success

"I never expected it
In order to be businesslike
you must meet the
prerequisite
Leave your culture at home,
smile, don't be too proud,
too wild. You may suffer,
just don't cry out loud"

"Success" - Mr. Lif

Success

Habitus

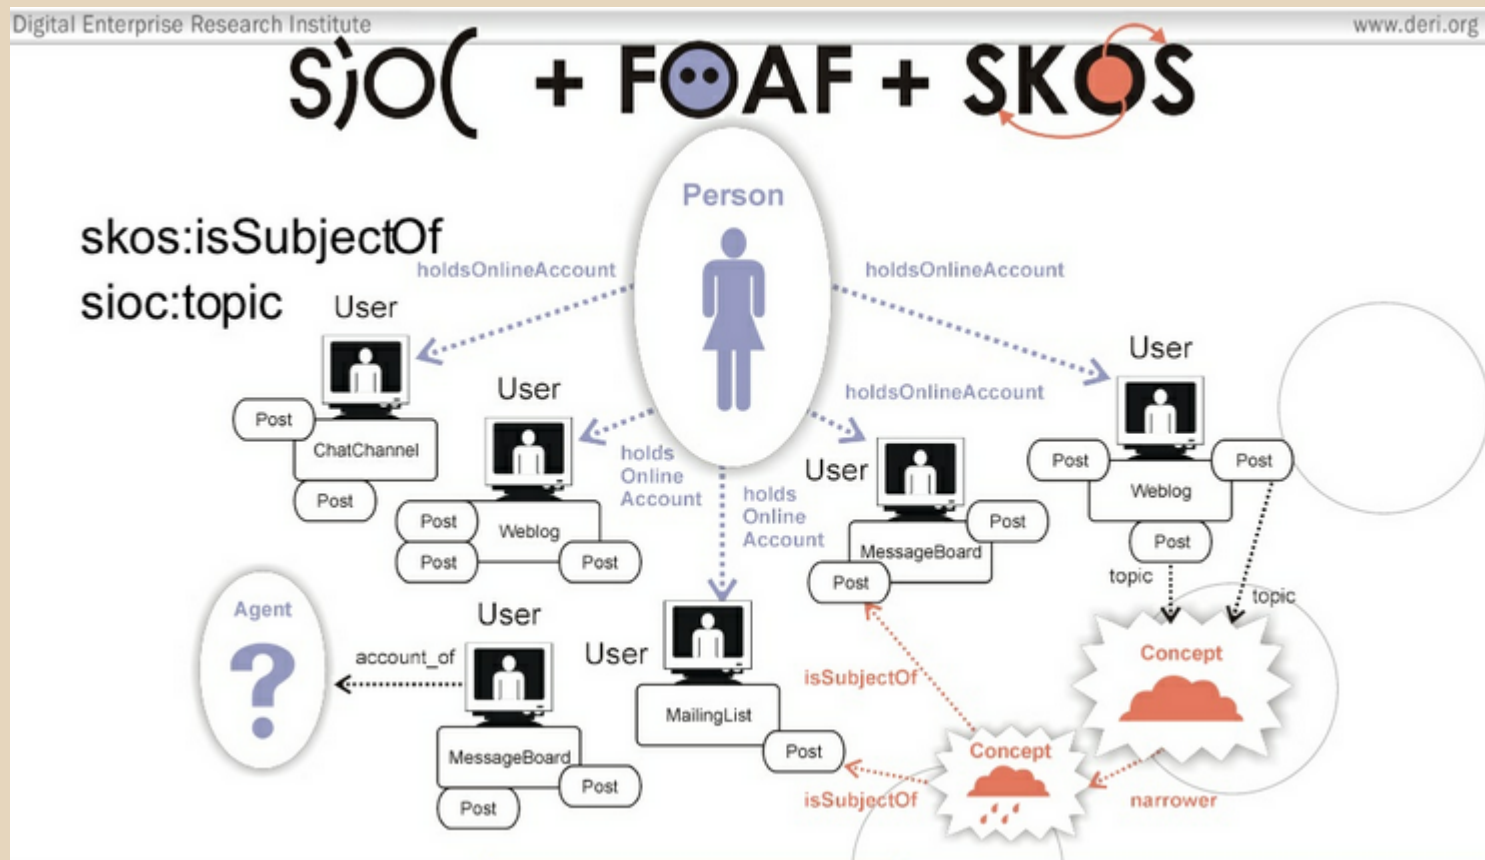

one's view of the world and place in it

Social Capital

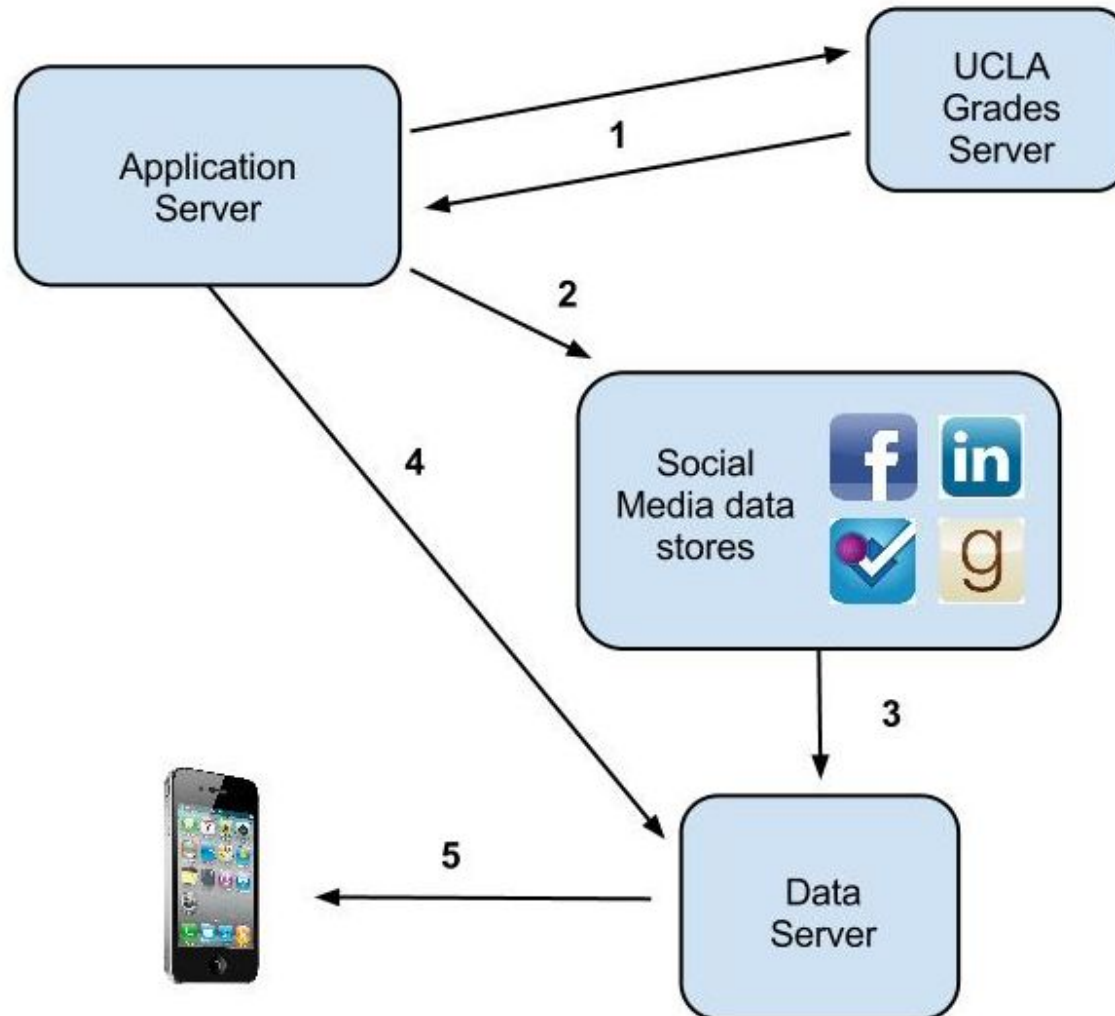

linguistic and cultural competence and broad knowledge of culture that belongs to members of the upper classes and is found much less frequently among lower classes

Trends Analysis

"Social Media has overtaken pornography as the No. 1 activity on the web"
-Erik Qualman

How it Works

ANNOTATIONS:

1) Searches grades, retrieves successes and failures

2) Mines social media data of successful people and failures

3) Sends data to server

4) Analyzes data and determines recommendations

5) Sends notifications to users

The App

Thank You!
