3 Steps to Taking Back What Belongs to You- Your Data, Your Life!

1. GO INVISIBLE

2. AVOID THE SENSORS

3. JOIN US!!

Goggle has seduced you! You think that you are getting a free education? Well, think again!!

Goggle is stealing your privacy. They don't care about supporting education-- they want to control us by turning us into single data points. For decades now, we certainly have been guilty of releasing our information for free, but BruinWatch goes beyond anonymous data collection. They know who you are and they are always watching you! Resist Goggle! Learn how to "go invisible" to avoid the system.

The UC Regents have sold our private information without our consent. And they did it because there was no other way to afford to support a world class education. Let's take back our school and our data!
