Took it at about 6 pm. Hit about 30 mins later  
It was amazing!! I felt soooooooo good! Unfortunately it didn't last as long as the other rolls I've taken. It wore off completely around 11-11:30. As for the downing there really isn't any but it did make my friend & i nausea after a bit and after it wore off, so there's that. Overall good!!

These were definitely a good press. Taken this week at a party. Took a half and started to feel it's effects after 45 min. Took another half, an hour after the first and within 30 min, felt amazing. Crazy eye wiggles and good euphoria. There's so much crap out there nowadays. And we all seem to be paying top dollar for it. If it's shit make sure you let everyone know! Please comment. This press was great the 1st took well after an hour felt that tight and it was the bestest roll I've ever had. I'd say there are probably around
